

Are you a trail rider in or around the Louisville area?

Would you like to see more trails available to horses?

Do you have ideas for improving existing trails and the trail riding experience?

If you answered “yes” to any of the above, we need **YOU** to join

# Equine Trail Advocates!

## Who is ETA?

We are a group of trail riders and horse lovers who work with local and state agencies, horse and trail advocates and other equine groups to improve trail riding opportunities in Louisville and surrounding counties. Please join us to show there is a significant horse community in our area that deserves fair and reasonable access to public trails and is willing to pitch-in to help maintain those trails.

ETA is a 501 (c)(3) nonprofit organization and your donations are tax deductible. We are all unpaid volunteers. Every cent raised goes to promote horses and trail riding in our community. We welcome everyone to join ETA and help with your time and/or donations.

## Our mission:

“To protect and expand equine trails that enrich the health of people, horses, land and the economy of Louisville and surrounding counties.”

### Our Goals:

- **EDUCATION:** Raise awareness of equestrian recreational and competitive trail riding as a sport that improves health and brings individuals and families together for outdoor fun and fitness.
- **COLLABORATION:** Develop relationships with land managers, equestrians and other trail users to ensure responsible use and maintenance of all trails on public and private land.
- **ACCESS:** Improve access to public and private trails, including fair and reasonable access to the Louisville Loop.
